

TSC new & improved Poultry Boot Swab *Over-Boot*

Technical Service Consultants (TSC) introduce new and improved *Over-Boots* for its Poultry Boot Swab Range to accommodate a greater range of foot sizes. TSC is committed to continually improving its products to increase the benefits for its customers.

- Improved design offers 10% larger foot size
- Same user comfort and convenience
- Choice of Tie Strips for additional support whilst sampling, if desired
- Robust waterproof material for sample integrity
- Gamma irradiated for guaranteed sterility
- Products include TS/BSW2-B and TS/BSW5-B

For further details and samples please contact TSC at www.tscswabs.co.uk or call +44 (0) 1706620600
