

MATERIAL SAFETY DATA SHEET

1. Identification of the substance(s)

Product Name: SwabSURE Listeria P

Product Code: SS-L01

Alternative Name: Not applicable

Revision: 1 **Date:** 30.04.2012

Supplier: Technical Service Consultants Ltd

Microbiology House, Fir St, Heywood,
Lancashire OL10 1NW, UK

2. Constitutions

Listeria P Liquid Media in Screw cap polypropylene tube. Contains biological extracts & chemicals. Included Breakpoint foam tip swab in tube dosed with TSC neutralising Buffer

3. Hazard identification

This product does not contain any hazardous extracts & chemicals in any significant quantities to warrant classification under COSHH.

Classification of preparation: Not applicable.

Symbol: Not applicable

Risk Phrases: Not applicable.

Safety Phrases: S20, S26, S36/37/39, S45, S46.

CAS number: Not applicable, product is a mixture.

EC-No.: Not applicable, product is a mixture.

Chemical characterisation: Biological extracts and Chemicals.

Percentage contained in product: Not applicable.

4. First aid measures

Eye contact: In case of contact with eyes, immediately irrigate thoroughly with sterile water or isotonic saline for at least 10 minutes. If pain or irritation occurs, seek medical attention.

Inhalation: Inhalation of any components of this product is unlikely.

Skin contact: Wash off skin thoroughly with water. Remove contaminated clothing and wash before re-use. In severe cases, obtain medical attention.

Ingestion: Wash out mouth thoroughly with water and give plenty of water to drink. Seek medical attention immediately.

5. Fire-fighting measures

Special risks: Combustible. May evolve toxic fumes in fire.

Extinguishing media: Dry chemical powder, or appropriate foam. Water maybe effective for cooling, but not extinguishment.

6. Accidental release measures

Wear appropriate protective clothing (see section 8). Inform others to keep at a safe distance. Do not inhale vapours and ventilate the area thoroughly. Collect the spillage and store in a suitable sealed container for disposal. Wash site of spillage thoroughly, with water and detergent.

7. Handling and storage

Handling: Wear appropriate protective clothing. Avoid contact with skin and eyes. Normal laboratory safety procedures should be observed. Handle with care.

Storage: Store at 4-25°C in a dry and ventilated area away from heat and ignition sources. Protect from light and moisture in tightly closed original containers.

8. Exposure controls/personal protection

Respiratory protection: None needed under normal conditions of use

Eye protection : Safety glasses are recommended to prevent eye contact.

Skin protection : Avoid skin contact. Use chemically resistant gloves as needed.

9. Physical and chemical properties

Appearance:	Liquid.	Vapour pressure:	Not applicable
Colour:	Yellow	Water Solubility:	Soluble
Odour:	Not Applicable	Explosive Properties:	Not applicable
pH:	7.2±0.2	Oxidising Properties:	Not applicable
Melting temperature:	Not applicable	Flash point:	Not applicable
Boiling temperature:	Not applicable	Relative Density:	No data
Density(g/ml):	Not applicable		

10. Stability and reactivity

Reactivity: The material is supplied in a stable condition.

Decomposition: Carbon monoxide and unidentified organic compounds may be formed during combustion.

11. Toxicological information

Based on the ingredients in this composition and their concentrations, this product is according to the conventional method of EEC directive 88/379/EEC classified as:

Non-hazardous, but avoid contact with eyes and skin or ingestion.

Handle product with care.

12. Ecological information

No data available

13. Disposal considerations

Chemical residues are generally classified as special waste, and as such are covered by national regulations that vary according to locality. For advice on disposal, contact your local waste disposal authority, or pass to a chemical disposal company.

14. Transport information

	Class	Packaging group	Substance Risk	UN no.
Road: (GGVS, GGVE, ADR, RID)	: N/A	Non-hazardous	N/A	N/A
Air: (IATA, ICAO)	: N/A	Non-hazardous	N/A	N/A
Sea: (IMDG, GGVS)	: N/A	Non-hazardous	N/A	N/A

15. Regulatory information

Classification packaging/labelling (Directive 88/379/EEC):-

Hazard Symbol	: Not applicable.
Risk phrases	: Not applicable.
Safety phrases	: S20 – When using do not eat or drink
	: S26- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
	: S36/37/39- Wear suitable protective clothing, gloves and eye/face protection.
	: S45- In case of accident, or you feel unwell, seek medical advice immediately (show the label where possible).
	: S46 – If swallowed seek medical advice immediately and show this container or label

16. Other information

Revision. 1	Supersedes issue of 13.04.2011
Changes in Section :	New logo and change of address
Date of issue:	30.04.2012

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information given in the data sheet does not constitute the user's own assessment of risk as required by Health & Safety legislation currently in force. All chemicals should be handled only by competent personnel within a suitably controlled environment. Technical Service Consultants Limited shall not be held liable for any damage from handling or from contact with the product(s).
