

## MATERIAL SAFETY DATA SHEET

### 1. Identification of the substance(s)

**Product Name:** Aluminium Shaft, Pure Viscose Tip in Peel Pouch **Product Code:** TS/19-D

**Alternative Name:** Not applicable **Revision:** 3 **Date:** 06.11.2012

**Supplier:** **Technical Service Consultants Ltd** Microbiology House, Fir St, Heywood,  
Lancashire OL10 1NW, UK

### 2. Material Composition(s)

Aluminium shaft and pure viscose tipped swab in medical grade plastic peel pouch.

### 3. Quantity & Dimensions

**Quantity:** 1000 per Box **Dimension:** Shaft  $147 \pm 2$ mm x  $2.0 \pm 0.25$ mm at widest  
point (swab head diameter)

### 4. Storage

Store in a cool, dry and ventilated area away from heat and ignition sources.

### 5. Performance & Manufacture

These swabs are manufactured to withstand normal handling, however if extreme pressure is exerted product will be damaged.

### 6. Fire-fighting measures

**Special risks:** Viscose tip combustible. Will evolve toxic fumes in fire.

**Extinguishing media:** Water spray, Dry powder, sand or carbon dioxide.

### 7. Physical and chemical properties

<b>Colour:</b>	White fibre/Metal shaft.	<b>Water Solubility:</b>	Not applicable
<b>Odour:</b>	Not applicable	<b>Explosive Properties:</b>	Not applicable
<b>Oxidising Properties:</b>	Not applicable	<b>Flash point:</b>	Not applicable
<b>Melting temperature:</b>	Not applicable		

## 8. Stability and reactivity

**Reactivity:** The material is supplied in a stable condition, and presents no significant reactivity hazard by itself or in contact with water. As a precaution, avoid contact with strong acids, alkali or strong oxidising agents.

**Decomposition:** Carbon monoxide and unidentified organic compounds may be formed during combustion.

## 9. Disposal considerations

Please dispose of this product in a responsible manner, following all local and national regulations. Product(s) containing chemical or biological hazards should be made safe before disposal. For advice on disposal, contact your local waste disposal authority, or pass to a chemical/biological disposal company.
