

MATERIAL SAFETY DATA SHEET

1. Identification of the substance(s)

Product Name: Woodstick, Cotton Swab in tube **Product Code:** TS/6-A
Alternative Name: Not applicable **Revision:** 2 **Date:** 30.04.2012
Supplier: **Technical Service Consultants Ltd** Microbiology House, Fir St, Heywood,
Lancashire OL10 1NW, UK.

2. Material Composition(s)

Wood shaft, cotton wool tipped swab in a polypropylene tube.

3. Quantity & Dimensions

Quantity: 500 in a box **Dimension:** Shaft 146±0.1mm x 5-6mm at widest point
(swab head diameter)

4. Storage

Store in a dry and ventilated area away from heat and ignition sources.

5. Performance & Manufacture

These swabs are manufactured to withstand normal handling, however if extreme pressure is exerted product will be damaged.

6. Fire-fighting measures

Special risks: Combustible. Will evolve toxic fumes in fire.

Extinguishing media: Water spray, Dry powder, sand or carbon dioxide.

7. Physical and chemical properties

Colour:	White wool/beige shaft.	Water Solubility:	Not applicable
Odour:	Not applicable	Explosive Properties:	Not applicable
Oxidising Properties:	Not applicable	Flash point:	Not applicable
Melting temperature:	Not applicable		

8. Stability and reactivity

Reactivity: The material is supplied in a stable condition, and presents no significant reactivity hazard by itself or in contact with water. Avoid contact with strong acids, alkali or strong oxidising agents.

Decomposition: Carbon monoxide and unidentified organic compounds may be formed during combustion.

9. Disposal considerations
